ABOUT THE STORE

The ReStore is a retail space which is open to the public. The store sells new and gently used housewares, furniture, decorations, building materials, lighting and more at greatly reduced prices. All inventory is donated by the public or community partners.

All proceeds from the ReStore go back into the organization to pay administrative and operating costs as well as a portion of the builds each year.

Volunteers are also needed to help organize, accept and price inventory and assist customers as they shop.

We envision a world where everyone has a safe, decent and affordable place to live.
